Generative AI Engineer | Azure AI | LangChain | LangGraph | Cloud Solutions Developer

AI Engineer with hands-on experience in building intelligent, cloud-based automation systems using LangChain, LangGraph, and AutoGen frameworks. Skilled in Azure AI Services, prompt engineering, and LLM integration for enterprise solutions. Adept at designing scalable multi-agent workflows and Retrieval-Augmented Generation (RAG) systems. Passionate about leveraging AI and cloud infrastructure to deliver real-world impact through innovation and automation.

Technical Skills

Category	Skills
Programming	Python (LLMs, RAG, Automation), SQL, REST APIs
AI Frameworks	LangChain, LangGraph, AutoGen, OpenAI APIs
Cloud Platforms	Azure AI Services, Azure OpenAI, Azure Functions, AKS, App Service
AI Concepts	Generative AI, RAG Systems, Multi-Agent Systems, Prompt Engineering
DevOps & Tools	Git, GitHub, VS Code, Postman, Azure ML Studio
Databases	MySQL, SQLite, Azure Cosmos DB (Basics)
Operating Systems	Windows, Linux (Ubuntu)

Experience

Tata Consultancy Services (TCS)

Assistant System Engineer (Gen AI Engineer) (Oct 2023 – Present)

- Built LangChain- and LangGraph-based Generative AI solutions for automating enterprise workflows.
- Designed and deployed multi-agent systems using AutoGen for contextual task orchestration.
- Integrated Azure OpenAI, Cognitive Services, and Azure Functions for AI-enabled applications.
- Implemented RAG pipelines to enhance information retrieval and LLM accuracy.
- Developed internal prompt optimization frameworks, improving model reliability and coherence.
- Collaborated with teams to deploy AI assistants and knowledge chatbots across internal domains.

Live PC and Mobile Care

Personal Computer Technician (Jan 2014 – Sep 2023)

- Delivered end-to-end system maintenance and troubleshooting for desktops and laptops.
 - Strengthened practical understanding of operating systems, networking, and diagnostics.
-

Education

Bachelor of Engineering (B.E.) – Computer Science and Engineering

Erode Sengunthar Engineering College | Aug 2019 – Mar 2023

CGPA: 8.16

Higher Secondary (HSC) – Computer Science

Sacred Heart Matriculation Higher Secondary School | Jun 2017 – Mar 2019

Percentage: 60.5

High School – State Board

Sacred Heart Matriculation Higher Secondary School | Feb 2015 – Apr 2016

Percentage: 82.2

Certifications

- **Microsoft Certified:** Azure AI Engineer Associate
 - **Academy Accreditation:** Generative AI Fundamentals
 - **AI/ML for Geo Analysis**
-
